2. All dates refer to the night of the stay; check-out time is 10 a.m. and check-in time is 3 p.m.
3. The following holiday periods are charged prime season weekend rates: the Wednesday, Thursday, Friday, and Saturday period that includes Thanksgiving Day; and Christmas Eve and Christmas Day; and New Year's Eve and New Year's Day.
4. Cabin guests are allowed two vehicles per cabin per day without charge of parking fee. Additional vehicles must pay the prevailing parking fee for each day that the vehicle is parked in the park. The number of vehicles allowed to park at the cabin varies according to site design and other factors. All vehicles must park in designated parking areas, either at the cabin or in the designated overflow parking area.
5. Lodge guests are allowed six vehicles per lodge per day without charge of parking fee. Additional vehicles must pay the prevailing vehicle parking fee for each day the vehicle is parked in the park. The number of vehicles allowed to park at the lodge varies according to site design and other factors. All vehicles must park in designated parking areas, either at the lodge or in the designated overflow parking area.
6. Damage to cabins, not considered normal wear and tear, may be billed to the person registered for the cabin on an itemized cost basis.
7. Each member of the cabin rental party, up to the maximum allowable for the rented unit, may receive an entrance pass to the park's swimming facility on the basis of one pass per night of rental. Passes are only issued during days and seasons of operation of the swimming facility and are only good during the member's registered stay.

NOTES ON CABIN TRANSFER/CANCELLATION/EARLY DEPARTURE POLICY:

1. Any fees to be refunded are calculated less the applicable cancellation fees listed below.
2. Fees paid to the reservation center by credit card will be refunded to the original credit card charged.
3. Fees paid by check or money order to the reservation center, or by any method at the park, will be refunded by state check.
4. A customer may move a cabin reservation to another date or park, referred to as a transfer, through the reservation center only, and prior to the official check-in time on the scheduled date of arrival.
5. If the reservation center will not be open again prior to the start of the reservation, transferring is not an option. If the transfer is not for the same number of nights, the cancellation policy may apply. Otherwise, there is no fee to transfer.
6. Once the reservation is paid for, a customer may cancel in full with payment of the required \$20 cancellation fee if there are more than 30 days before the scheduled arrival date. As long as the reservation is not during the one-week minimum stay requirement period, the length of stay may be reduced without a fee as long as there are more than 30 days before the scheduled arrival. However, the length of stay cannot be less than two nights. During the 30 days prior to the scheduled arrival date, the \$20 cancellation fee is charged for each night cancelled or reduced from the stay. Once the official check-in time on the scheduled arrival date is reached, the cancellation policy is no longer in effect and the early departure policy applies.
7. Once the 3 p.m. check-in time is reached on the scheduled day of arrival, any adjustment to a reservation is considered an early departure. There is a two night minimum charge associated with all cabin stays. Reducing the total nights stayed will incur a \$20 per night fee. If the original reservation was for a week, the weekly discount will no longer be valid and the fee will be adjusted to the nightly rate before any refunds are calculated.
